

"The Change" By Tehila Israel

**In Repentance there is change and
We must rearrange our thoughts**

**We are no longer slaves to be sold and bought
Because we have fought
to live in this Truth, we are taught
The Laws, Statues and Commandments of God**

**To comprehend, mend and blend will certainly send
A clear message of our walk,
as we do and not just talk;
the righteous shine as white chalk
on a black board.**

**Study, Pray, Apply on TMH we can rely,
never sway or try
to be of this world again**

**Be ye transformed by the renewing of your mind
and when ye are tried,**

**ye shall prevail in kind
and the strength of our unity will bind
A Kingdom of Royalty
In hind, sight
Can you see it?**

**It is a lamp of bright light,
that can ignite
a fire to burn**

**All praises it is our turn,
to be stern, as we yearn, to learn,
to live in our Inheritance**
