  - "I don't care what your father said...I said"
  - "Your father doesn't run this house, I do"
  - "He doesn't know what he's talking about"
  - "I get tired of picking up behind him"
  - "You don't tell me what to do..."

**2. Plan Demolished:** this is where we make plans but our plans don't come through

**Proverbs 31:13(KJV)** She seeketh wool, and flax, and worketh willingly with her hands.

V15 She riseth also while it is yet night, and giveth meat to her household, and a portion to her maidens.

V16 She considereth a field, and buyeth it: with the fruit of her hands she planteth a vineyard.

- If you are not familiar with Proverbs 31, this is our guide book as women. These are the actions of what a righteous woman does on her daily basis.

V19 She layeth her hands to the spindle, and her hands hold the distaff.

V24 She maketh fine linen, and selleth it; and delivereth girdles unto the merchant.

- As women, we plan everything out... but you need to get ready for your plans to be demolished. This is an emotional trigger.
- As women, we are not flexible....one bad thing goes wrong we get out the spirit. It can be the smallest thing
  - When plans change, find the positive in it.
  - For example; you had plans to stay at a hotel with your Lord. Then plans change and you and your Lord will be staying with a brother.
  - Finding the positives: Save money, get to know a sister and cook together
- It terrifies us when our plans don't work out

### **3.Lack of Love with:**

- This is lack of love to our husband, our kids, sisters, etc.
- You secretly hate your husband, hate coming to the school, the kids, etc.
- When your sister asks you to do something, you get an attitude. You don't love your sister.
- If you want to learn submission, first learn to submit to your sisters. When a sister asks you to do something, do it without an attitude.
- Example: It may get heated in the kitchen
- Just look at the situation, that's my sister and she just gave me an order. Let's do it. That is how your husband will be. The orders will just come.
- When given an order- take it and listen to the message

**Matthew 22:37(KJV)** Jesus said unto him, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind.

v38 This is the first and great commandment.

v39 And the second is like unto it, Thou shalt love thy neighbour as thyself.

v40 On these two commandments hang all the law and the prophets.

- Love towards your neighbor. All the commandments hang on these 2.
- Acts of service - keeping the commandments
- [Reference video: The Three Trials of Faith with Bishop Nathaniel and Deacon Asaph](#)

**Sirach 26:6** But a grief of heart and sorrow is a woman that is jealous over another woman, and a scourge of the tongue which communicateth with all.

- Check your spirit sisters
- We reaction in emotional way because you got secret hatred or jealousy for another sister.
- You may reach a certain way because you secretly hate or jealous of a sister

### **Here are some Solutions to deal with emotions**

- Talking to yourself to help decompress and calm self
- You just got into a crazy situation (Husband or with a sister)
  - Things you can do to deflate
- Identify and challenge the thoughts underlying your upset.
  - Find out why you are upset (it takes practice)
  - Exaggerated beliefs (you over hype it up)
  - Calm down and look at the situation and look at what actually happened. Not what your head told you what happened.
- Can I force myself to find some positive traits in them that will help me regard them in a favorable light?
  - The person you want to have the emotional reaction to may be someone in you have in high esteem (husband)
  - Force yourself to find some positive traits within others:
    - He is a leader
    - He always put in work
    - This is a good sister. She brings out the positives in
- Am I mind reading?
  - You think your husband hates you because he asked you to do something without saying please
  - Stop taking an action and making out as the worst
- Am I a fortune teller? Making a prediction that they will always disappoint me.
  - “She asks me to do it because she secretly don’t like me”

### **Quotes:**

- “My mind is good at something small seem like the end of the world”
  - Something that you do or react to, the scriptures says to be angry but sin not-  
**Ephesians 4:26(KJV)**
  - Look at how we react to the situation, you have act right and do it properly, decently and order

  - You can learn not to let someone pull you out the spirit
- “Don’t make a permanent decision for temporary emotions”
  - Don’t ruin a good friendship. Some things you can’t take back when you snap on a sister.

- “Don’t let your emotions be your decision maker”
  - Goes back to the note that emotions cloud your mind and inhibit you from reacting properly
  - Don’t let emotions have that power of you to the point you are making wrong/bad decisions

- Seeking the Kingdom first and not putting the Most High last on your to-do list

**Matthew 6:33 (KJV)** But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.

  - Leave the house 20 minutes early to read before going into work
