## Instructions

*Start out by cutting the cardboard or project board. You will need 1 rectangular piece about 10-12 inches long, and 2 square pieces about 3 inches (This will serve as your "candleholder"). Cut slits in the middle of your square pieces about halfway down and place one on either side of your candleholder. These will serve as balance stands. Take your 7 clothespins (Candlesticks) and decorate as desired (Let your creativity shine!). Pin your candlesticks to your candleholder, and Voila!*
