

## 5 Due Benevolence Tips

By: Ioanna Israel

*Let the husband render unto the wife due benevolence: and likewise, also the wife unto the husband. The wife hath not power of her own body, but the husband: and likewise, also the husband hath not power of his own body, but the wife. Defraud ye not one the other, except it be with consent for a time, that ye may give yourselves to fasting and prayer; and come together again, that Satan tempt you not for your incontinency. **1 Corinthians 7:3-5 KJV***

How many times have you read or heard about this scripture? “Due benevolence” means marital conjugal obligations a.k.a. SEX. Webster’s defines “due” as an obligation and “benevolence” as an act of kindness, service, favor, harmony, selflessness. As repenting Israelite wives, our number one goal in this life is to be renewed and fit ourselves to the holy scriptures. Many sisters often get confused or unsure about how we are to conduct ourselves behind closed doors in the bedroom. The majority of us were not born knowing our true heritage and had given our precious flower to those that were not qualified. That and other experiences have had lasting adverse effects on the way many views due benevolence. In both cases we must seek the scriptures along with proper counsel to heal. The Holy Bible states that marriage is a mystery & certain thing should always remain that way, especially the inner workings of your lords’ house. This article is for the wife that needs and wants a mental for the marriage bed.

for as he thinketh in his heart, so is he... **Proverbs 23:7 KJV**

Since you are what you think, let us start looking at ourselves in a different way. Once you begin to see yourself desirable, actions will follow because your body language will translate that to your lord.

### **Tip #1**

Great intimacy begins in your head! Let go of all personal hang-ups, bitterness, inside noise, and outside negative influences (**Luke 6:32-36**)

### **Tip #2**

Confidence is sexy! You want to carry yourself with such assurance that it will be alluring to your lord. Giving him those “I want you” eyes and vibes by just a slight brush walking by. No husband will complain about his wife having a newly found confidence concerning his benevolence. **Hebrew 13:4** so eloquently states that the marriage bed is not defiled, so let your imagination flow and the performance begin.

### **Tip #3**

Reverence Your Husband! Ephesians 5:33 says “...the wife see that she reverences her husband”. What is it to reverence? A gesture of respect gratifies, to please, satisfy, hold in high esteem, admiration. Concentrate on HIM, your lord. Forget & forgive all prior disagreements. Do not waste time and energy worrying about any personal flaws. Men are visual so put on something he will find visually stimulating. Make him feel that no-one else exists for you but him. Let him see that he is truly YOUR king (**Proverbs 7:15**). When you forget yourself and start concentrating on your lord, you will find yourself automatically doing wonderful “acts”, the execution will be genuine and not feeling staged or forced. Observe his responses so you can give him more of what he likes. Get to know your husband’s personal preferences so you can play to them like a finely tuned instrument (**Proverbs 7:21**). The more you give, the more you will get. (**1 Esdras 4:20-25**)

### **Tip #4**

Mirror him! Do unto him what he does to you (**Ephesians 5:21**). Make mental notes of the special way and places he touches you and the way he does it; then next time you mirror it to him. This is that conversation without words. If you feel as if he does not touch or perform the way you like, then later explore together, touch & kiss him the way you would prefer him to touch you then ask could he mirror your actions. You both must learn each other’s pleasures & have a wonderful time learning.

### **Tip #5**

Set the scene! Make your bedroom a love nest (Proverbs 7:16). Make the effort to have daily mental foreplay, use your imagination on this one and the possibilities are endless. For example, leave a note in his lunch, fold it, and write “for your eyes only”. Look your lord in the eyes, stay straight faced and in a completely normal voice say what you intend to do later. Be extremely specific. Then be sure to fulfill your promises later. The surroundings in which “due benevolence” occurs are almost as important as the act itself. Drab or boring rooms can make for lackluster boring experiences. Remember that the surroundings you create must be those that will arouse your lords senses not necessarily yours or outsiders. This takes some observation and careful thought. Plush thick rugs or fur throw, low sensual music, pleasant scents on sheets and in the room (**Proverbs 7:17**), his favorite wine or strong drink available, soft lighting is also a must have. Dimmers or candles and his favorite fruit will add ambiance.

*The beauty of a woman cheereth the countenance, and a man loveth nothing better. If there be kindness, meekness, and comfort, in her tongue, then is not her husband like other men.*
