

SEW OR SEW

Shalom sisters may the Most High and Christ bless you,

I am Sister Ana from the house of Officer Elon's Los Angeles camp.

My story begins like this. My parents worked for Moabites sewing clothes, I looked at it as interesting but difficult. My mother told me stories about how she made her own clothes when she was young, and she also knitted dresses for me. I always thought that sewing machines were difficult to use.

Well when my daughter was born, I also wanted to make her clothes, and I bought a sewing machine. I tried and tried but nothing came out right. Everything was small, tight, or crooked. In that process I at least learned to operate my machine. I spent hours trying and I started looking for videos on YouTube.

When we heard about this wonderful truth, SKIRTS

Deuteronomy 22: 5

The woman shall not wear that which pertaineth unto a man, neither shall a man put on a woman's garment: for all that do so are abomination unto the LORD thy God.

and WOW Fringes

Numbers 15:38!!

Speak unto the children of Israel, and bid them that they make them fringes in the borders of their garments throughout their generations, and that they put upon the fringe of the borders a ribband of blue:

That is supposed to be on all our clothes???

I thought well let us get to work. We bought material, and videos plus videos until I was sure of what I wanted to do.

The first time I made a skirt it did not fit, but I did not give up. I kept trying and trying. I had the fear of the Most High. I could not give up. Me and my daughter needed skirts.

Until my pretty and fluffy skirts came out right! That is how I learned how to sew. I also made glorious garments for my lord and my children. Little by little and with a lot of patience I continue learning.

I thank the Most High for giving me this talent. Here are some photos of my creations.
