## RECAP

Joshua 10 was a mind-blowing chapter as it further brought out the realization of why other nations must make us seem as we are nothing. Our history reveals in this chapter several astonishing actions such as Joshua stopping the sun and going from city to city subduing several kings. It is understandable why the heathen had to say that Joshua was an Edomite as well. Joshua completely followed the spirit of the Most High. We always hear in the world that God is love, but they fail to tell our history as it is.

## KEY TAKEAWAYS

### Joshua 11 (KJV)

**What do you notice about of Joshua?**

**Answer:** He was obedient. Everything he was commanded to do, he did. He was obedient to Moses because Moses was obedient to the Most High.

### Joshua 12 (KJV)

- Joshua smote 31 kings. Remember that he went to the east and the west to get everybody. Yes, God is love when the time calls for it. But remember that *Exodus 15:3* says that “The Lord is a man of war.” He is a man of war and his sons are men of war. Notice that everybody (the Israelites) was on one accord. We had no traitors at the time. No one wanted to go against Joshua as they saw what he could do.

### Joshua 13 (KJV)

- This is also a straightforward chapter. It talks about the inheritance to the 9 tribes and half tribe of Manasseh.

Joshua 13:1 (KJV) Now Joshua was old and stricken in years; and the Lord said unto him, Thou art old and stricken in years, and there remaineth yet very much land to be possessed.

### **What is happening to Joshua?**

**Answer:** Joshua is starting to get old.

*Question:* In verse 25 with the children of Ammon... Is that why some of the features are like those from people of the tribe of Gad? Because of the inheritance of the land?

Joshua 13:25 (KJV) And their coast was Jazer, and all the cities of Gilead, and half the land of the children of Ammon, unto Aroer that is before Rabbah.

- Later in time they may have been mixing, but during the time of Joshua, it is not likely. Israel has 5 mothers: Leah, Rachel, Bilhah, Zilpah, and Joseph’s wife, Asenath the mother of Manasseh and Ephraim. We have different features. Even when the same mother and father have several children together, each child may look different. But as far as some of us having features from Ammon, I do not know.

### **What are you all noticing about our forefather?**

**Answer:** At 85 years old, he maintains the same level of fitness as if he were young.

**Joshua 14:11 (KJV)** As yet I am as strong this day as I was in the day that Moses sent me: as my strength was then, even so is my strength now, for war, both to go out, and to come in.

- We need get out of the bad habit of not eating properly. We need to eat fruits and vegetables, and drink water. We should also be exercising and seeking a healthier lifestyle. This includes reading. If Caleb was 85 and he was still fit, and he was married, then his wife was also fit.

Our foremother Esther cared about the way she looked. Staying fit and upholding certain standards is what royalty does, such as taking baths and soaking in oil.

For instance, in the movie “Coming to America”, Arsenio Hall goes to tell the king that he had to wake up and work out.

### **Who were the two people who made it out of the wilderness?**

**Answer:** Joshua and Caleb, due to their obedience. One can imagine how angry the Most High was, to only allow two people to make it out of the wilderness!
