

## *Sharing Talents while Educating our Children*

*Sing unto him, sing psalms unto him: talk ye of all his wondrous works.  
Psalm 105:2 KJV*

Shalom, I am Shira Yarona (which means "poetry/singing") out of IUIC Atlanta. I am a professional singer, songwriter, and musician. When I am not performing with Royalty Duo alongside my lord, Soldier Heman, I enjoy making righteous and educational music for the children of our nation.

My passion for music stems from my childhood. I grew up exposed to ALL genres of music, which I believe, comes across in my work. You never know what you are going to get with Sister Shira!

Being new in this truth, I quickly realized I had to re-learn being a wife, sister, friend, and mother ALL OVER AGAIN...AND teach my children the scriptures? What? How? I had no clue where to start, so I went with what I knew. Music. I melodically taught my 3 daughters the books of the Old Testament, and guess what? They learned them QUICKLY, as did I!

My lord suggested I share the song publicly, but I was only 1 year old in this truth and felt SO unqualified. Then, I remembered Mother Shamarah explaining in a Titus 2 class the importance of sharing our gifts so other sisters can learn and grow too. I was cut. Who was I to allow my insecurities to stifle a tool that successfully helped my children? So, I mustered up some courage and did it! Even though it was just milk, TMH allowed me to figure it out.
