

ACTIVITY: NAPTALI STRAW FLUTE MUSIC CRAFT

Supplies

- Tape
- At least 8 plastic straws
- Scissors

Directions

1. Layout a piece of tape
2. Stick the straws in line with the tape
3. Wrap the tape around the width of the straws to secure
4. Cut the bottom of the straws at a diagonal angle
5. Blow into the windpipe to make music

Start a band with this windpipe craft and out other musical instrument crafts! Kids love making music with their DIY straw Windpipe!
