

Event: Are You a Wife with Integrity

Host: Sister Bayla Israel

Date: Wednesday, May 03, 2023

Time: 8-10PM EST

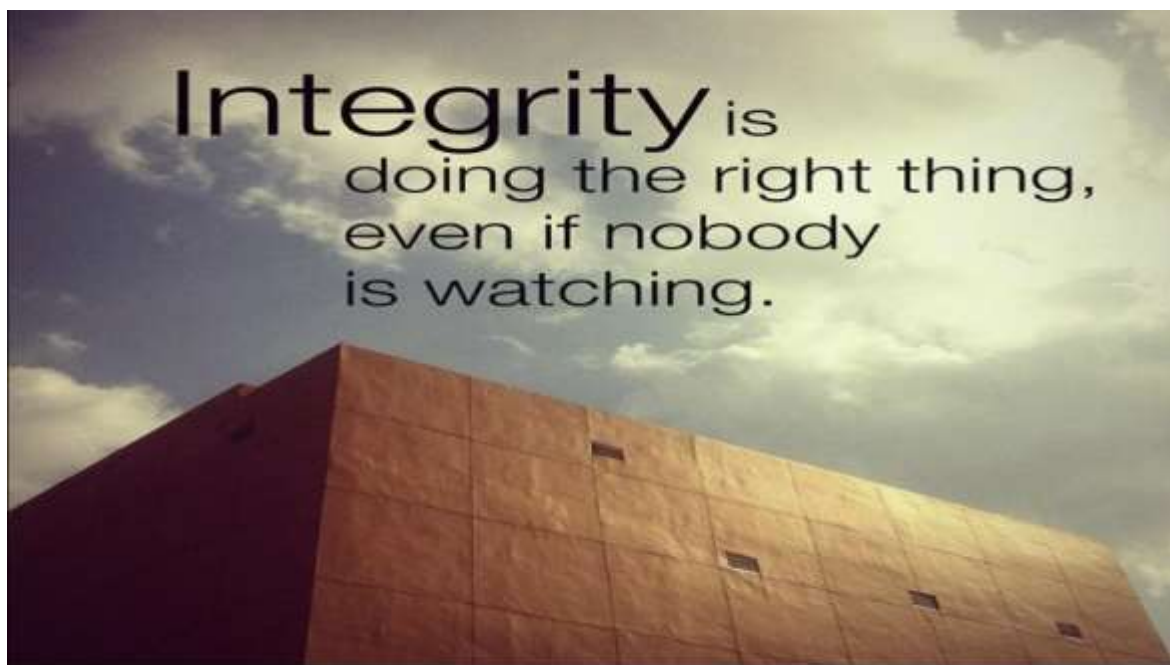

## WHAT IS INTEGRITY?

### **DEFINITION:**

Integrity is the practice of being honest and showing a consistent and uncompromising adherence to strong moral and ethical principles and values.

We learned from that video integrity is doing always what is right regardless of the situations.

[Deuteronomy 6:25 \(KJV\)](#) And it shall be our righteousness, if we observe to do all these commandments before the LORD our God, as he hath commanded us.

Integrity is being consistent and not growing weary or giving up because we are met with a trial. Foundation must be built in Christ.

The Bible is our handbook. It's everything to grow into the righteous wife and righteous sister to help the men build the nation.

Integrity is important.

As wives and mothers when we are sitting home going about our daily task are we always doing what is right or taking a back seat

Are we examining self?

Our integrity gets questioned by our lord.

We have that representative on at first- and as-time pass things get reveal.

**Question:**

What is your level of integrity?

**Job 2:10 (KJV)** But he said unto her, Thou speakest as one of the foolish women speaketh. What? shall we receive good at the hand of God, and shall we not receive evil? In all this did not Job sin with his lips.

When these times come in, we must make sure you we are ready.

We hear from our mothers and sisters to level up.

As a grown woman in the truth step back and ask self

**Self-Questions:**

Am I dealing with everyone around me righteously?

Am I dealing with everyone with integrity?

Am I doing what's require alone?

Am I rebuking self and correcting self?

Am I reading my four chapters?

Am I really trying to build myself up or am I mastering it?

Go to your lord and ask what I need to work on and what do you see.

If your lord correcting, you on same thing - it's either you don't care or you not examining self.

If you are doing same thing after two months, you have no integrity in your lord's house.

We see the spirit that the Most Hogh is putting on the men and the prophets in this truth it's very important that we sit back and ask am I being his representative or am I being his one flesh? If your lord has it, you should have it. It's something you can learn if you don't have it. The scriptures guide us on what is right and wrong.

Integrity comes in when you know you are not supposed to be saying something and you check your spirit.

We must Study Pray and Apply like our Bishop Nathanyel says always.

If we just reading our chapters, praying and no application behind it it's not going to work.

We must have faith with works behind it.

**Example:**

New sisters come in and you have those close relations with your worldly family. Your lord gives you the scriptures observe the time and don't trim your ways to seek love when you get around your family. It's a lack of integrity on your part because your lord doesn't trust you will keep the commandments in sincerity.

You have to use wisdom when around the worldly family. The life you are loving now to become the righteous Daughter of Sarah, I can't partake in any of this evil attributes.

A lot of us we need to learn this in the body.

It will cut down on the gossiping, murmuring, and complaining. Don't let the food be nasty at a Feast Day we get all out the spirit. You can go home and prepare something.

Like Escaping the Plantation says- Don't listen to black women. Once the Black women get out of the spirit, we can get the whole room out the spirit. Spirits do jump. We must check our level of integrity.

We must apply the scriptures and not only be a bearer of the word yet doer as well.

[James 1:22 \(KJV\)](#) But be ye doers of the word, and not hearers only, deceiving your own selves.

Bishop Yawasap and the prophets was on the biggest newspaper in Mississippi called Claren Ledger.

It's an honour to see the prophets going out standing injustice for our people. This truth has levels of growth.

The spirit that was on the Bishop, Deacons, Captains, and Officers was definitely the spirit of the Highest and it lifted up sister Tiffany Carrer the mother of Raheem Carter who was murdered.

We need to be that revolutionary wife for our lords.

The men doing their job, so we have to make sure we are doing ours

We have to self-examine.

**Proverbs 11:3 (KJV)** The integrity of the upright shall guide them: but the perverseness of transgressors shall destroy them.

We see that in our Bishops.

We see how they are guiding the prophets through the truth building up men.

It's an honour to be by our lord side.

As sisters at times, we act confused when correction comes.

When we get correction, we can't neglect our lord and children.

We must continue to get build up and maintain our integrity.

The time is nigh am I on my way to righteousness?

**Self-Question:**

Is my level of integrity befitting for the kingdom?

Most High is trying is through our trails.

When I our trial done you faint like Jobs wife?

We all are going through some level of trial in our marriage.

The Highest give us a way of escape and we have to believe and lean on that.

We must see our trial from a spiritual standpoint not carnal mindset.

Do we act like Job wife curse God and die?

We have to lean on the scriptures.

- **Key Point:**

We must see our trials from a spiritual side and not carnal mindset.

We need to hold our integrity like Susanna and Abigail and push forward through the application of the scriptures.

When we see Bishop and Deacon wives I see grace, class, respect and how they love they nation.

We all can learn from that.

If you don't see your elder mothers putting their whole life on social mother, sisters follow order.

Don't go astray from what is set for us.

When I think of Integrity, I see my mothers.

As we grow in this truth with our lord, we can say we endured and build the next generation of sisters you can say you followed and listened.

You think about Christ leading the disciples and they listened. They had they trials and tribulations. Yet after Christ death they continued on to build and that's what we want to focus on

**Philippians 2:12 (KJV)** Wherefore, my beloved, as ye have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling.

You have to work out your own salvation with fear and trembling.

Prove sisters around you.

Look for those that you see doing the work and submissive to their lord.  
Not the sisters you see rolling their eyes and you see them out the spirit.

All flesh consorteth to their kind

**Ecclesiasticus 13:16 (Apocrypha)** All flesh consorteth according to kind, and a man will cleave to his like.

Build a friendship with a proven sister.

Elder mothers as example- successful proving looks like. You going to go through things. It's the application of the scriptures that will help you and must be applied.

Attributes in Marriage (Give 1 point if you are being consistent)

What is your value- Average or Below Average

In this walk we must strive daily to keep the commandments, sincerity and in truth.

We must be very thorough with our self-examination.

- **Key Point:**

Our lords need a revolutionary woman. Woman that are ready to be a pillar, put works in wherever is needed, we must have a care for our role.

We should always want to be better and level up. This comes with actions not just sitting back. The scripture says the kingdom comes not by observation - scripture.

**Self-Question:**

Do you have a lack of counsel?

Do you have a counsellor?

Are you studying?

Are you jealous or envy of your lord?

It's our lord job to protect and guide us.

Recommendation Class:

Hedge or Hatred Class - Captain Yadin

**Proverbs 31:11 (KJV)** The heart of her husband doth safely trust in her, so that he shall have no need of spoil.

Do what you say you will to do.

Most marriages suffer from a lack of integrity.

We make commitments to our lords, and to others. Then we break them, we lie, we make excuses, and avoid taking responsibilities.

Integrity is both a personal and trait skill.

Many can develop overtime.

- **Key Points**

**5 Attributes of Integrity: Give Self a 1**

1. **Dependability**- your lord can rely on you, you keep your commitment, able to commitment to task, offices in the congregation, your lord can trust you and give you

more responsibilities, your lord need you included in big decisions, Task- this means he's not coming back asking you did you complete this. If he has to ask you more than one time you are not dependable.

2. **Loyalty**- be consistent in your treatment and behaviour for one another, show up, treating others with kindness and generosity. We must have a loving spirit for our lord. We must be loyal and consistent. When we corrected are we holding our integrity or your whole countenance changed? You get corrected you not going to the Sabbath. We should all be treated our lord with the upmost respect. You can ask your lord after class and see where your value is.

3. **Honesty** - integrity requires honesty, they strive to be truthful. They own up to mistakes and try to learn from them. This attributes also means being authentic in the workplace. Did you get up on time today? Were you honest in your response? Be honest and truthful. You have to be honest and examine self. Make sure you are getting counsel to be better.

4. **Good Judgement**- critical thinking, assessment skills and best choice in decision making. Consider your decision in situations. Good Judgment you know sister being rebellious in their lord household my judgment is to back up- a lot of us get caught up in that instead of correcting her we listen. Dealing with your children make good judgment calls.

5. **Respect**- people with integrity value others. Keep other feelings in line. Exercising Punctuality, care with your words, careful consideration of people ideas and empathize- give your lord the reverence he deserved- You should see you lord as a Top G.

When you are getting corrected check your spirit and say All Praises

When Esau ask you to do something on the job you going to give them that respect

My lord is my hedge of protection and reverence your lord as Christ in the household.

You don't run anything by your lord. You don't counsel with your lord.

If your plans got to change due to your lord plans. Receive it.

Our lord gets beat down daily.

We see the other nations not respecting our lords, so why should you do the same thing to your lord.

The sisters that don't have a lord build your spirit up.

Righteous

Job trial was back-to-back. He lost his children and lovely hood. That's a lot to take on.

The truth coming at and the Canary Mission doing all manner of evil.

Affliction is going to come so we must have our integrity. Build-up.

Our lords work so we have to ask questions when we read.

When that trial comes if that happens to my lord will I be the wife that will say curse God and die?

Examining your spirit-  
Which wife had integrity - Noah wife?

Some of us experience that being Arline our sister.

Sister may say she think she so righteous.

We can really get caught up in a carnal mindset - we think it's funny but in reality, we lack integrity.

One sister on the skit said what I suppose to do leave him.

**[Deuteronomy 6:25 \(KJV\)](#)** And it shall be our righteousness, if we observe to do all these commandments before the LORD our God, as he hath commanded us.

Keep on the righteous

They should have all been saying what would you do in this situation so you can level up and get your spirit build up.

We read about Noah wife.

We read about Lot wife turned into a loose of salt.

Integrity in a marriage is building trust, solid foundation, he will command you what to do.

### **Signs you Lack Integrity: Give Self -1**

**1. You feel that you are more valuable in your marriage, you don't allow your lord to guide you, you can't take his correction and you don't see the wrong you did - 1**

**2. Defensiveness-** offer a million excuses and called out of fear when deceptive is revealed- your lord corrects you and you ready to give rebuttal -1

**Proverbs 12:15 (KJV)** The way of a fool is right in his own eyes: but he that hearkeneth unto counsel is wise.

When you have a defensive mindset, you are foolish, and you can't see it because you are not allowing your hedge to guide you.

**3. Language and Behaviour Inconsistency-** they change their story frequently to seem more credible, say one thing yet do another, subsequently they don't appear authentic- that's the representative showing. When that trial comes you want to change your story which is a liar

**4. Inability to apologize or accept accountability** - someone without integrity is happy to allow others to take the fall for their mistakes, or even deliberately point fingers at others because they tend to be egoistical, they are not sensitive on how they negatively influence others and won't apologize to problems they have created. Compassion does not come naturally.

**Isaiah 58:9 (KJV)** Then shalt thou call, and the LORD shall answer; thou shalt cry, and he shall say, Here I am. If thou take away from the midst of thee the yoke, the putting forth of the finger, and speaking vanity.

We have to stop pointing the finger. Taken accountability.

Don't have the spirit of blaming others and a manipulative spirit.

**Matthew 6:12 (KJV)** And forgive us our debts, as we forgive our debtors.

If we don't forgive Most High not forgiving us

We all done something we had to apologize and forgive others.

**5. Lack of being reliability-** we seen sisters endured after losing their lord in this truth. Integrity - Do your lord trust and believe if something happens to him you will keep the commandments and teach his children or will you leave.

If a trial come, are you going to leave and not endure.

**Self-Question:**

Am I building myself and children up if anything happened will I endure?

We have to examine our spirit that's the ultimate test.

Are we going to stand for our integrity through all the trials?

**Three Trials of Faith**

This class get you in the spirit.

**Self-Question:**

What does my integrity look like- is it above or below?

When my trial comes will I give up or endure?

The kingdom of Heaven is ours to lose.

We have to examine our spirits and take on the commandments.

Build your spirit up and take heed to your lord and build your spirit up.

### Integrity and Promotion:

We must have integrity through good and bad times.

When your lord gets promoted <https://fb.watch/kiuF1sXH5r/?mibextid=0xyxEp> we are happy and a good time.

[Psalms 75:6 \(KJV\)](#) For promotion cometh neither from the east, nor from the west, nor from the south.

[Psalms 75:7 \(KJV\)](#) But God is the judge: he putteth down one, and setteth up another.

Leadership reads when they go through promotions.

As a wife it's a great time to celebrate with your lord and happiness.

Whenever you begin experiencing emotions- you must always take time out to review why you have those emotions

### Self-Question:

Are you happy for your lord's promotion or have you been waiting for this moment to get power?

Sis you still don't have no power.

Some may marry a ranking prophet.

What does that mean? These promotions show who you really are.

If you been holding grudges and your lord got promoted and you begin to be petty in different offices in the congregation.

After promotions you may think now you have power and change order.

### Self-Question:

Are you truly keeping the commandments?

Are you truly honest with self?

Honest representation of your lord

### Captain Hoshayah Quote:

As a leader you have to be an example of forgiveness, faith, hope, charity and long suffering.

You have to be able to take more than the sister who just came in the truth yesterday.

As your lord elevate in this truth and he takes you on the ride every sister can't hurt your feelings. You can't Matthew 18:15 every sister

Take it and keep striving. Let some things roll off your back and pray for your sisters.

Nobody wants the petty wife.

Sisters in the body should see you hugging the sister everybody knows you don't get along.

They should be like I don't know how you do it.

You have to say the scripture says forgive.

I love the face rehearsing the righteous acts.

You may not feel like it, yet we must practice it do it.

It's all about your representation of your lord.

You have a bigger stage set when your lord gets promotion.

Your lord putting in his bricks and as his wife does nothing- how does that looks?

[Hebrews 4:11\(KJV\)](#) Let us labour therefore to enter into that rest, lest any man fall after the same example of unbelief.

You don't labour you showing others the same example of unbelief.

Some sisters be like long as I am showing up on the Sabbath and keeping the commandments, I am good.

If you not labouring in this truth, you are teaching others same.

You must put in your bricks. Find something to do.

Some sisters doing 16-17 task behind the scenes, meaning we 16-17 people short.

There's definitely work to do.

Sister Jahira Israel Example of Integrity:

She said I don't ask sisters to do anything, I tell them what needs to be done. They got to do it if they refuse, I go to the next sister that has a willing spirit. I don't care about their lord rank.

Integrity - her lord trusts her. She has enough integrity behind her name her lord trusts her to do that.

Does your lord trust you to make righteous decisions and have integrity behind your lord? Does your lord safely trust you?

Do you have the respect in your congregation to be able to move that way if not examine self?

Don't go out and try that. Let Us take baby steps.  
Used this as an example to progress and he build our integrity.

Class before:

"Why your lord won't travel with you."

May need to do a class on  
"Why your lord won't travel with the brothers'.

My lord doesn't seem motivated in the truth.

Make sure sister you are examining self.  
Maybe he doesn't travel because he doesn't trust you. Your integrity is not to his standards.

Your lord needs to safely trust in you.

**Proverbs 31:11(KJV)** The heart of her husband doth safely trust in her, so that he shall have no need of spoil.

Your integrity determines how much he can trust you- his mind has to believe his wife can handle certain things.

**1 Timothy 5:13 (KJV)** And withal they learn to be idle, wandering about from house to house; and not only idle, but tattlers also and busybodies, speaking things which they ought not.

A woman that's a tattler, and busybody.

This is the sister that stays on social media, won't stay home and always at someone house, mall or anywhere in the street. She is speaking things she should not speak on

**1 Timothy 5:11(KJV)** But the younger widow's refuse: for when they have begun to wax wanton against Christ, they will marry.

This is a widow.

Yet some of us has these attributes like he's dead. You lack integrity.

You are behaving yourself like your lord is gone. All he did was go for a weekend. Some treat your lord like that in the house.

Why he's not travel examine yourself. Not saying you are the problem, yet you can be.

- **Key Points:**

If he can't trust you to find your car keys every Sabbath

If he can't trust you to keep your phone charge

Your lord traveling and you don't keep the Sabbath.

If you always letting your children play with your phone and you can't find it - your lord can't safety trust in, you.

Shamariah Israel

Tribulation to come -

How much more does your lord need to believe no matter what going to keep the commandments and make basic decisions?

**Proverbs 3:35 (KJV)** The wise shall inherit glory: but shame shall be the promotion of fools.

If you foolish your promotion is going to be shame

- **Key Points:**

What sister Yemina stated can be a separate clip that needs to go to all the sisters at the schools who lords just got promoted

The men just got promoted and the wives sitting there doing nothing.

Are you living up to your lord expectations and more than anytime that's the time you must level up?

If your lord gets promoted and you have not lived your life with integrity, it's like a deer with headlights.

You will bring shame to your lord household when you not doing the work.

Rehearsing the righteous acts, you should be living a life of integrity of keeping the commandments and reflecting your lord and his character, his traits, his core value according to the scriptures so the house looks in text and don't look you representing self yet one flesh.

### **Captain Yadin's Class: Hedge or Hatred**

Integrity of Illness

Two Passover's ago we had leadership wives brunch sisters told me you never going to have a dry eye.

[Job 2:10 \(KJV\)](#) But he said unto her, Thou speakest as one of the foolish women speaketh. What? shall we receive good at the hand of God, and shall we not receive evil? In all this did not Job sin with his lips.

No secret my lord went through health crisis and health trial.

It was very difficult and still ongoing.

In the midst of his trial, I didn't want to be a foolish woman as Job wife.

**Romans 15:4 (KJV)** For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope.

Out of the abundance of the mind the mouth speaks.

**Matthew 12:34 (KJV)** O generation of vipers, how can ye, being evil, speak good things? for out of the abundance of the heart the mouth speaketh.

**Ecclesiasticus 11:25 (KJV)** In the day of prosperity there is a forgetfulness of affliction: and in the day of affliction there is no more remembrance of prosperity.

**Ecclesiasticus 11:26 (KJV)** For it is an easy thing unto the Lord in the day of death to reward a man according to his ways.

**Ecclesiasticus 11:27 (KJV)** The affliction of an hour maketh a man forget pleasure: and in his end his deeds shall be discovered.

Often times when we are going through our trial we forget the good times, good health, the Lord had me this time and he got me this time.

In marriage it's not about if trials going to comes it's the matter of when it comes

**John 1:47 (KJV)** Jesus saw Nathanael coming to him, and saith of him, behold an Israelite indeed, in whom is no guile!

When Christ was talking about Nathaniel, and he was filled with integrity.

I see my lord as a man of integrity and all about this truth.

### **Video Clip - Bishop on horse (waiting on DOS)**

That video is powerful and still gives me chills.

**Ecclesiasticus 25:23 (KJV)** A wicked woman abateth the courage, maketh an heavy countenance and a wounded heart: a woman that will not comfort her husband in distress maketh weak hands and feeble knees.

**Ecclesiasticus 25:24 (KJV)** Of the woman came the beginning of sin, and through her we all die.

We are not making weak knees over here. We are strengthening our lord. That's a woman of integrity.

What is there I can say to encourage this man?

- **Key Point:**

Never give up and Never Give In. We are going to ride this until the wheels fall off.

Going on walks and talks encouraging my lord through scriptures along the way so he can see the light at the end of the tunnel.

You have to be that person to be able to encourage whoever that is in your life you trying to build up.

You need to be the encourager, nurturer, and loving companion the Lord called you to be.

I am not here to say I was always a woman of integrity. Every single day I am working towards being the wife the bishop deserves.

What can I say to encourage my man?

When I saw Bishop on the horse it took me back to my seat with a deep breath

People concern about him being on the horse two years ago he couldn't get on a horse and hold self-up.

**Define Horse Symbol-** strength and the ultimate courage to serve the Heavenly Father through whatever the trial and affliction may be.

It's more than being on a physical horse it's spiritual.

I will be damn if anybody talking about my lord, saviour on earth don't deserve to be on a horse. He's deserving more than being on a horse. That was so powerful for me.

It's more than being on a physical horse it's spiritual.

Scripture talks about being a wise woman.

Trials going to happen and recognize the attack.

She's his biggest cheerleader.  
She strengthens him in everything.

What is the team's strategy?

How do we repent and draw closer to Christ

**Ecclesiasticus 26:22 (KJV)** A harlot shall be accounted as spittle; but a married woman is a tower against death to her husband.

You have to look at self as tower against death for your lord.

**1 Peter 4:12 (KJV)** Beloved, think it not strange concerning the fiery trial, which is to try you, as though some strange thing happened unto you:

**1 Peter 4:13 (KJV)** But rejoice, inasmuch as ye are partakers of Christ's sufferings; that, when his glory shall be revealed, ye may be glad also with exceeding joy.

**1 Peter 4:14 (KJV)** If ye be reproached for the name of Christ, happy are ye; for the spirit of glory and of God resteth upon you: on their part he is evil spoken of, but on your part, he is glorified.

In the trial my lord was glorified, and he overcome in his trial.

### **Self-Reflection: Things I learned:**

Self-Aware

Integrity

Loyalty

My Own Character

Consistent

Can my lord count on me?

- Key Point:

Just because your lord is sick you don't throw respect, good judgement, honesty, dependable, and loyalty out the window yet even more when your lord is going through affliction your lord should know he can count on you.

**Philippians 2:12 (KJV)** Wherefore, my beloved, as ye have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling.

Many sisters going through health trials or the lord it's not about being under pretence yet about being transparent.

It's not about who can do the deepest bow, or highest Shalom or calling your lord at home and an unrepentant man in private.

Everyone makes mistakes yet only a person with integrity can own to their mistakes they have done.

**Matthew 19:4 (KJV)** And he answered and said unto them, have ye not read, that he which made them at the beginning made them male and female,

**Matthew 19:5 (KJV)** And said, for this cause shall a man leave father and mother, and shall cleave to his wife: and they twain shall be one flesh?

**Matthew 19:6 (KJV)** Wherefore they are no more twain, but one flesh. What therefore God hath joined together, let not man put asunder.

When your lord is sick you are sick as well.

It's painful to see someone you love to go through such difficult times.

- Key Points:

**I learned to be more:**

Loving

Compassion

Be More Patience

Lots of conversation with the Heavenly Father to help correct those things I didn't have in me.

I ask the Heavenly Father to build up strength, integrity, faith, encourage me in prayer and encourage me in the ways I was weak at

All the things you taught me now is a time to put it in action and through faith, hope, and belief I can put those things into action.

I applaud when your lord correcting you and teaching you not only listening yet put it in actions.

Don't wait until a crisis happen yet daily because a trial can happen anytime.

**Ecclesiasticus 3:12 (KJV)**

My son, help thy father in his age, and grieve him not as long as he liveth.

**Ecclesiasticus 3:13 (KJV)** And if his understanding fail, have patience with him; and despise him not when thou art in thy full strength.

**Ecclesiasticus 3:14 (KJV)** For the relieving of thy father shall not be forgotten and instead of sins it shall be added to build thee up.

**Ecclesiasticus 3:15 (KJV)** In the day of thine affliction it shall be remembered; thy sins also shall melt away, as the ice in the fair warm weather.

It was a reminder to our son - I explained to my lord you taught us this.

You have to be able to say have enough faith, hope and belief in the Heavenly Father I am able to do the things necessary as a helpmeet.

2. **Friendship** - learn who are true friends are.

You need people who can hear you when you can't say a word.

At the time of crisis, you will know who your real friends are.

Some people don't know what to say yet they reached out and all we needed was prayer and fasting.

The congregation did that

[\*\*Romans 15:1 \(KJV\)\*\*](#) We then that are strong ought to bear the infirmities of the weak, and not to please ourselves.

When I was weak I needed strong people around me that can build me up

[\*\*Ecclesiasticus 12:8 \(KJV\)\*\*](#) A friend cannot be known in prosperity: and an enemy cannot be hidden in adversity.

[\*\*Ecclesiasticus 12:9 \(KJV\)\*\*](#) In the prosperity of a man enemies will be grieved: but in his adversity even a friend will depart.

We saw both of that.

We saw our enemies be grieved and we saw our friends in adversity.

We are thankful for those trials we have.

[\*\*Proverbs 17:17 \(KJV\)\*\*](#) A friend loveth at all times, and a brother is born for adversity.

I got a text daily from one Sister Mehidah

As was wife you must make sure your mind is right to guide the house?

### **3. Loyalty and appreciation for my lord**

When we did our wedding vows in the world it was said- Through Sickness and in health death do us part

Respect  
Support

[\*\*Tobit 8:7 \(KJV\)\*\*](#) And now, O Lord, I take not this my sister for lust but uprightly: therefore, mercifully ordain that we may become aged together.

I take not my sister for lust.

Newly married
