

## *Anna: Women's Work*

### *Sister Bayla House of Captain Gedaliah*

#### **TOBIT 2:11**

“And my wife Anna did take women's works to do.”

If trials and tribulation were to arise in your marriage, are you ready to take on woman's work to be an essential help meet for your lord? Many of us repented Israelite women have the luxury of not having to work and are stay at home moms. Yes, our task is still a job that requires us to cultivate righteous and educated children while simultaneously guiding our lords' house, we could be the sisters that have to work or may have to work in the future. Are you currently developing skills to prepare you if or when that time comes? In this truth we must be revolutionary and, in that role, we have to look to the women of old. Our foremother Anna was a true reflection of her lord, his works and alms deeds helped to build her spirit when it came to her taking on women's work when her lord Tobit was unable to work. She saw there was a need for her lord's house and she did what she needed to do to help him during his trial. In modern times we have many distractions that can cause us to lose focus. It's possible to get too comfortable and forget that the Most High chose us specifically for our lords and in that role we must be ready if/when they need us. In order to do so, take a few minutes out of the day to study and learn a new skill or to build on things you are already familiar with so you can be an asset to your lord's house and not a liability.

Building your Home

Shalom sisters!

In our walk of repentance, we are instructed by the Most High through the scriptures how to conduct ourselves as a repented Israelite woman. Ask yourself, are you building your lords home in righteousness? The bible says in Matthew 7:20 (KJV) “ wherefore by their fruits ye shall know them.” Are you conducting yourself as a righteous wife in the absence of your lord as he is putting in the work to teach his people and to bring in the lost sheep? We’ve all heard The General Bishop Nathanyel’s order for the prophets to go and wake our people up all over the world. In order for your lord to accept this mission you must have your mind in accordance with his mind and be ready for the battle. We cannot get caught up in what we think our marriage is supposed to be according to the standards of Babylon.

Our lords are the chosen of the Most High and we must understand that they have a commitment that they are making to the lord, with this being said he will have to go and teach and there are times when he will be unavailable. I remember years ago Mother Shamarah of the house of Bishop Nathanyel mentioned this scripture and as my lord began to travel internationally for weeks and months at a time I reflected on this scripture and her words of wisdom.

### **1 Corinthians 7:29**

***29 But this I say, brethren, the time is short: it remaineth, that both they that have wives be as though they had none***

Understand that when your lord takes on that mission you have to accept your mission and uphold your duty in your lord's home. In order to build up your children you must be rooted yourself. Ask yourself the following questions:

Are you studying, praying and applying?

Are you reaching out to your elders in this truth to seek counsel on how to build that foundation?

Are you staying in the spirit in the absence of your lord?

Are you actively attending sabbath and putting in your bricks for the Most High in your lords absence?

Our foremother Anna had to take care of a child in the absence of her lord and still prepared feasts. She didn't make any excuse because her lord was gone, she still made a feast unto the lord. Some of us relax in the absence of our lord instead of continuing in righteous works.

***"Now when I was come home again, and my wife Anna was restored unto me, with my son Tobias, in the feast of Pentecost, which is the holy feast of the seven weeks, there was a good dinner prepared me, in the which I sat down to eat."***

**Tobit 2:1 KJVA**

Anna took on a woman's work to help her lord when he was unable to work and reminded him of his righteousness when he accused her of stealing. Tobit stated he was abashed at her meaning he was embarrassed and instead of arguing with her lord she replied with kindness in her tongue and reminded him of his righteous deeds.

***"But she replied upon me, It was given for a gift more than the wages. Howbeit I did not believe her, but bade her render it to the owners: and I was abashed at her. But she replied upon me, Where are thine alms and thy righteous deeds? behold, thou and all thy works are known."***Tobit 2:14

## Priscilla: Works in the body, what are your works like sis?

Priscilla was a devoted sister in spreading the gospel. She, along with her husband helped with the needs of the apostle Paul in spreading the gospel to our people. She did not sit around and watch her lord put work in work; she helped as well. She along with her lord risked her life for the truth by housing believers. The works we can put into the truth in the last days are many. Why would you sit around when there is so much to do? Truth is, we have many sisters that do great works and those same sisters do multiple things in the body. If we truly want to get out of this captivity, we should be sharing content of our leaders.
