## MOSES WARNS EGYPT OF GOD'S WRATH

EXODUS 11 - 12 :36 KJV

Nine times Moses went to the Egyptian Pharaoh, Ramses II, demanding, "Let my people go!" Each time he and his brother, Aaron, were ignored and sent a way.

What happened next revealed the might of the one, true God of Israel. Ten plagues fell on Egypt. The first of the Egyptian's troubles came in plagues of blood, frogs, gnats, and lice that polluted the air and water.

After that, there were plagues of flies, diseased livestock, and boils. Next from the sky hail, locusts, and darkness fell on Egypt.

Still Pharaoh dismissed Moses's warnings.

Thus the tenth and final plague, the "Plague of the Firstborn," began.

Before it could start, Moses told the Israelites to make a sacrificial offering to God, and to use the blood to mark the doorposts of their homes.

He explained that doing this would spare their children from the "death angel," saying he "will pass over the door."

In the end, the Israelite children were protected, and they all left Egypt. This great time is remembered as the feast of Passover - when Israel was delivered out of bondage through ten wondrous acts of God.

# Time to Celebrate! A MESSAGE FOR THE KIDDOS FROM OFFICER KIDON'S DESK

**SMART TALK:**  
What does it mean to be an Israelite?

## PASSOVER: ISRAEL'S TRUE INDEPENDENCE DAY!

Some may wonder, why all the glitz and glamour for the IUIC 2019 Passover? A fashion show, art exhibit and multiple concerts? Why all the fuss?

Well think of it like this, explained Officer Kidon (20) of IUIC-ATL, "This is Israel's Independence Day!"

"We have to celebrate the deliverance of the Black, Hispanic, and Native American man out of bondage. Of

course it's going to be a festive time," the officer said.

Yet and still in "modern-day Egypt, America," the officer went on to say "still we remember our bondage is ever present."

"The main signs are the curses of Deuteronomy 28, and the only reason we suffer is our sin. Our nation is still dying in streets, unjust deaths, even down to

educational system. We are not taught our own history, but rather the oppressor's version."

This is also a time to encourage us to endure, so we can be delivered once again.

In the end, he pointed to the tenth plague, the Plague of the firstborn, stating it represents how quickly Most High can end this captivity.

"In just one hour this could all be over."

### Exodus 12:12

"For I will pass through the land of Egypt this night, and will smite all the firstborn in the land of Egypt, both man and beast; and against all the gods of Egypt I will execute judgment: I am the Lord."
