

15 Family Quarantine Activities

1. Create Family Bible Trivia!

This activity is a very fun activity to do with your family to see how much everyone knows about the milk of the scripture. It keeps the atmosphere in the home happy and joyful during this time. These bible trivia can have 5 different sections of different topics i.e. Color in the Bible, Kings of the Bible, Basic Laws, Old Testament Books and Clean and Unclean Animals. These are just examples. This could be done with a range of questions and answers written on paper and one person read them out, everyone else in the family can be in teams and/or solo. To make it even more fun and special, this game could be created using PowerPoint or Canva. You can also order buzzers for the contestants to use to answer the questions.

ROUND 1
The Life of King David

BIBLE TRIVIA

Which book and chapter speaks about the anointing of a future king named David? And in which book and chapter was he made king?

2. Reading

Choose one quiet afternoon/evening or create a book series every week! Put on relaxing music and read your child/ren favorite book and they could read yours also. This will allow you both to learn one another's interests in books. This will also create a calm and relaxing atmosphere in the home especially if you are all reading educational books the music will help improve your learning of the books you are all reading.

3. Board Games

Who doesn't love a good ole board game?! Israel is a competitive people; this is the perfect time to have a family night and teach your children your favorite games, so they are geared up for any future family games nights events with the body.

4. Reminiscing

What is more beautiful than every family sitting down together, looking at photos and videos! This could be family videos and photos, also this could be videos and photos of the feast days especially Passover, Pentecost and Tabernacles!

5. Write a family bucket list

What are your family's plans after Quarantine? It is important to have vision as a family to keep the bond strong!

6. Create a Letter Train

Allow your child/ren to explore the home using letter cards. You can tape these letters on the floor or lay the papers on the floor! Then the children can place the items onto the letter card, this is not only fun but educational! Education should be fun!

7. Exercise with your child

Depending on their age, you can use letters or numbers! Each letters and numbers have a different workout attached to it with the sets and reps of the workout, not only is this bodily exercise but also mental.

8. Karaoke!
