

FROM A LESBIAN TO A WIFE  
'A TESTIMONY OF TRANSFORMATION'

Are you battling homosexuality? Psalms 19:[7]The law of the LORD is perfect, converting the soul: the testimony of the LORD is sure, making wise the simple.

I am Israelite from the tribe of Judah and I used to battle with this sin. I started to battle with it when I was 8 years old and eventually "came out" when I was 15. I never thought about change or even believed that I could change until The Most High sent a prophet to me from IUIC. He let me know that Christ was black (Revelations 1:14) and that I was an Israelite according to the curses detailed in Deuteronomy the 28<sup>th</sup> chapter.

The fear of God fell upon me and I knew I had to change. But, how? And when? Knowing the truth and his laws about living this lifestyle, Leviticus 18:[22]Thou shalt not lie with mankind, as with womankind: it is abomination, Leviticus 20:[13]If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them. I decided there were some big changes that had to be made! First, I put on a dress according to Deuteronomy 22:5, which was something that I always hated to do.

That led me to constantly think about how my so-called friends at the time would view the new me, especially the ones that looked up to me! What better reason to change than setting the example for others knowing some believe that 'once you go gay there is no going back'. Wrong! I can for sure testify to that!

Now I can proudly & boldly say that through God's laws I am a wife to a great husband. In addition, we are expecting! 1 Timothy 5:[14]I will therefore that the younger women marry, bear children, guide the house, give none occasion to the adversary to speak reproachfully.

How would we be able to continue as a nation if we are homosexual?! Yes, there are ways the system has set up for those individuals (adoption, invitro, ect) but how is that fair when you are raising your kids to be confused? If you are reading this, know that you can overcome through repenting as I did. I pray that my story will inspire others because no matter if you were raped, molested, or just going with the crowd, you can be forgiven and you can move on!

2 Corinthians 5:[17] Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things.
