Peer pressure is always tough to deal with, especially when it comes to sex. Some teenagers decide to have sexual relationships because their friends think sex is cool. Others feel pressured by the person they are dating. Still, others find it easier to give in and have sex than to try to explain why not. Some teenagers get caught up in the romantic feelings and believe having sex is the best way they can prove their love.

- **Ecclesiasticus 6:7 (KJV)**

“If thou wouldst get a friend, prove him first and be not hasty to credit him.”

Some things to think about before peer pressure makes the decision for you:

- Not every person your age is having sex. Even if sometimes it feels like everyone is “doing it,” it is important to realize that this is not true. People often talk about sex in a casual manner, but this does not mean they are having sex.
- Hollywood does not show the full story. Sexual situations are everywhere in our culture. They are on television, in movies, and even in commercials and magazines. This is part of the reason why we enjoy these things so much. Just remember characters in these movies, television shows, and advertisements are actors and actresses. They cannot get unwanted pregnancies and STIs—you can.)

STD- Sexually transmitted disease/STI- Sexually Transmitted Infection

- STD’s and STI’s are plagues from The Most High, they are punishments for committing fornication and having sex with boys. You do not want to experience The Most High’s judgement. We do not do boyfriend and girlfriend, only marriage is honorable.”

Link to topic discussed: <https://www.teenvogue.com/story/riverdale-over-sexualized-teenage-characters/amp>

- Among the many reasons fans can’t get enough of the CW’s hit series Riverdale are the intricate storylines and the never-ending mystery, which make it one of the network’s most binge-worthy series. However, there *is* one downfall that has progressively gotten worse throughout the series’ two-season run: the oversexualization of its teenage characters that borders on exploitative.

- **Proverbs 12:26 (KJV)**

26 The righteous is more excellent than his neighbour: but the way of the wicked seduceth them.

- Not only does Esau seduce you through your eyes and what you see but also through what you listen to, like music. The TV can seduce you; the music can seduce you. People will make you think that it is okay to devalue yourself and to not think of your body as a temple. They will make you think that keeping your virginity is not something important.

Seduce definition:

- entice (someone) into sexual activity.
- attract (someone) to a belief or into a course of action that is *inadvisable* or *foolhardy*.
- attract powerfully.

- The words in some music are so evil, and you are basically repeating these things in your head over and over, it is almost like hypnosis. It is constantly in your ear and it desensitizes the way you think of yourself.

What do you notice about this picture? (below)

Responses: *shameless, wanton eyes, red hair, candy, tongue is out, seductive, colorful, childlike, haughty, nasty, sexual.*

- **Ecclesiasticus 26:12 (KJV)**

“She will open her mouth, as a thirsty traveller when he hath found a fountain, and drink of every water near her: by every hedge will she sit down and open her quiver against every arrow.”

- It is obvious what Esau is trying to do as far as promote in the world, they are oversexualizing our women. They are making it seem as if it is normal when it is not normal according to the scriptures and The Most High. They use subliminal sexual peer pressure. This is marketed to the young people and they say that these are ‘role models’ and how to act.”

- **Ecclesiasticus 26:9**

“The whoredom of a woman may be known in her haughty looks and eyelids.”

- Modesty is not only about how you dress; you can be dressed modest head to toe all you want but if your mannerisms are of a whore then that is what it is. If the shoe fits wear it. Clothes are not the only thing that make you modest, it is also your spirit.
- We do not want to have the reputation that the biggest whores on earth are repented Israelite girls. Repented Israelite girls need to stand for something and represent the Heavenly Father and the laws, statutes, and commandments. Israelite girls who have on a long dress and fringes with a border of blue should not be in an alley somewhere giving a blowjob. The scriptures say to look down upon your fringes as a reminder to keep the laws. We need to be a representation of what it means to be chaste, pure, virgins and respectful to authority and their fathers and mothers. We need to have beauty not only on the outside but on the inside, they need to know how to be a help meet and a pillar of rest as well as honor their father so that when they get married, they know how to honor their husband. That starts now.”
- Those around sixteen to eighteen who are already exposed to peers in school that are involved in sex or use to the term ‘hit it and quit it’, are already addicted to sex. Just like Deacon says, once you have sex with multiple men, you take on whatever spirits that they have, that is why a lot of us are half crazy.
- As my grandmother use to say, ‘you don’t miss nothing that you never had’, so if you have never had sex and you are holding yourself for marriage, which is the righteous and biblical order for a young woman, you will not miss sex because you have never had sexual relations with a man before. However, once a young woman has had sexual intercourse, there is a longing and *desire* to do it again. The scriptures say that your *desire* should be unto your husband, but if you are engaging in sexual activity before you get married, your *desire* is just for the actual act of sex itself because there is no spiritual connection.

<https://www.psychguides.com/behavioral-disorders/sex-addiction/>

- Sex addiction can refer to a range of behaviors that are done in excess and *significantly impact one’s life in a negative way.*
- Nothing about having sex before marriage is positive whatsoever. It is not worth it.”

Research indicates that there is a clear prevalence of adverse sexual behavior that is similar in development to a “chemical” addiction. “So sexual addiction before marriage is compared to crack cocaine and heroin.”

- A lot of the time, people who are addicted to drugs are addicted because they are ‘filling a void’ that they have in their life. Usually young women who become addicted to sex are trying to fill a void of an absent father or not enough attention at a young age. Their addiction to sex is supposed to soothe them and make them feel better about themselves.
- Some of us may think, ‘oh a boy gave me some attention, let me give him the thing most precious to me, my virginity’, that makes no sense at all.

What Are the Different Types of Sexual Addictions?

There are no distinct categories, but sexual addictions can come in different forms, including addiction to:

- Pornography.
 - Prostitution.
 - Masturbation or fantasy.
 - Sadistic or masochistic behavior.
 - Exhibition/Voyeurism.
 - Other excessive sexual pursuits.
-
- Pornography will lead you to sexual addiction, so if you are watching porn, that is something that you need to check your spirit for. Prostitution as well, so however you act at school and when you aren’t around leadership or you parents can be a form of prostitution.” The things that you wear and the conversations you have with peers at school. Ask yourselves, would I have this conversation with my mother or father standing next to me?”
 - “Masturbation and fantasy could lead you down the path of a sexual lifestyle that you should not be into. Masturbation is the act of trying to sexually pleasure oneself, with your hands and other objects. Because you know that you cannot have a boyfriend, but you desire to have one sexually, you tell yourself that you are not breaking the law just because you aren’t physically letting a boy penetrate you, so to get around that you pleasure yourself instead. When you watch things like Riverdale, Little Liars, and Cardi B, you begin to imitate those things and feed your sexual desire which you should not be doing. So, to all the mothers, be mindful of what your daughters are watching.”

- **Ecclesiasticus 26:10 (KJV)**

“If thy daughter be shameless, keep her in straitly, lest she abuse herself through overmuch liberty.”

- We all know the spirits of our daughters, so like the scriptures say, if she is shameless keep a careful eye on her. So, for those who have daughters that were in the world and possibly had a boyfriend and worldly friends, now that we are breaking them out of that lifestyle you really must be strict and explain to them why. We are living in an evil society where everything that is good appears to be evil and everything evil appears to be good. We need to explain to our children that the law is not grievous, the Heavenly Father says that these things are necessary for the building of righteous young men, women, and the nation.
- Voyeurism, you may not be physically having sex, but you might be sexting or showing boys or girls your boobs and private parts. Your body is your temple and you need to keep that private, that is between you and your lord when you get married.
- Once those pictures and videos go up on the computer, you cannot take that back. That picture can be spread from boy to boy to boy in school. And guess what? You have nobody else to blame except yourself. You are the one who pressed send.
- With social media accounts, we all want to take selfies and look beautiful. There must be some sort of limited access to what you post. Everybody does not have to see you and your backside and your cleavage or if you have a tattoo. We need to make sure that we are representing a righteous image of what a repented Israelite princess looks like. Some of the older pictures that we may have might not be appropriate on social media. If you have some of those photos like in pants, shorts, tongue rings, tattoos, or anything of a sexual nature, take it down. For those of you amid your repented walk as young women, do not put it up because it is not something to be proud of. We need to make sure we are being shamefaced.

Physical Symptoms of Sex Addiction

- Although a sex addiction or pornography addiction can create many physical side effects, few physical symptoms of this disorder exist. However, the most common physical sex addict symptoms you might notice from having a sexual addiction is feeling immobilized due to sexual or emotional obsessions.
- Once you become exposed to porn, masturbation, voyeurism, it is already like crack to you at that point. Bigger levels, bigger devils. You're going to start to crave things even more than you did the last time.
- So, let's say you go from watching porn, to wanting to experience it and start masturbating. When you start masturbating you will want to real thing. After that,

you might answer a text from a boy or an old man who wants to meet you at a place and then you end up having sex. Sex leads to babies and STD's.

Effects of Sex Addiction

The effects of a sex addiction can be severe.

- According to Departmental Management of the USDA, about 38% of men and 45% of women with sex addictions have a venereal disease because of their behavior.
- Pregnancy is also a common side effect that can occur due to risky behavior. In one survey, nearly 70% of women with sex addictions reported they had experienced at least one unwanted pregnancy because of their addiction.
- Crabs is an STD, the reason it is called crabs is because underneath the microscope, that is what is inside your pubic hair. Yes ladies, between your legs, there are microscopic crabs that are eating at your ass. How about that?! That is an itch that you cannot scratch and will not go away. That is immediate judgement for being nasty and being a rebellious whore.
- It is up to you mothers to show your children what a sexually transmitted disease really looks like. Those are things that The Most High set up as judgement.

Additionally, sex addiction likely has a negative impact on several areas of one's life. It can lead to:

- A decline in personal relationships, social, and family engagement.
- Decreased concentration and productivity at work.
- Physical consequences like sexual dysfunction or sexually transmitted diseases.
- We must keep in communication with our young girls because it is impossible not to see it. If you pay attention, you will see when your daughter is starting to not communicate with you, when she doesn't want to have a relationship with you, when she's backing away from family engagements like High Holy days, new moons, the sabbath. You will notice when she does not want to come and when she always has an excuse.

- **Jude 19 (KJV)**

19 These be they who separate themselves, sensual, having not the Spirit.

- “You have to pray for that spirit back. So those who separate themselves from the body and do not want to be around righteous young girls and righteous examples from older sisters. When I was young and courting, I was only around older, righteous sisters who could council me and guide me from right and wrong. It was like a village raised me on how to be a Daughter of Sarah.
- For those of you who are of age and want to court and have strong sexual urges, you need to have a conversation with your parents or spiritual parents to determine whether you are ready for marriage. And if your parents deem you would make an appropriate wife and that you are ready to court, then during the courting process you are going to have a chaperone as well.
- It is awkward talking to your parents about these things, but it is your job to really build a relationship with your mother and father. This way you will know that they are not going to choose somebody who is wrong for you. They will make sure you remain happy in the scriptures and keeping the laws of God. They’re going to make sure you don’t end up with no negro who isn’t going to take care of you and who may end up leaving you.”

(I regret losing my virginity... DON’T DO IT.)

- She said that the whole reason why she decided to give away the most precious thing that God can give you, which is your virginity, was because a boy liked her enough to get it. That means that her self-esteem was extremely low. It is important that as mothers you really explain to your daughters the value that they have when they are pure and by being a young daughter of Sarah.
- Your virginity is like a treasure that you want to keep safe. You do not just give that away to a boy because he liked you enough.
- “Let me give it to you with the way these little hood rats are running around talking about ‘pssst, yo ma’. Let me find out that any of you ever turned around to ‘pssst, yo ma’. They need to put some respect on that headwrap and long dress with a border of blue. They need to know that they do not come and approach a daughter of Sarah like that. There should be no smiling or grinning over something like that. That is an insult, that is an insult to you as royalty. It is degrading, that is not a compliment. A compliment from a brother in the truth is going to your biological or spiritual father and saying ‘I’m interested in courting this sister, she has a beautiful spirit on her and I see that she has some really good works in the body, I think that she would be a good wife for me’. As a mother, you need to be able to teach your young daughter that even when a young man approaches you and says, ‘you’re beautiful’, she needs to just say

thank you with her head down and keep it moving. We as aunties and mothers need to become hedges. It is because I had hedges around me and because of literally submerging myself around older sisters who had good names that I kept myself a virgin and waited for 'Mr. Right' to get married. Basically, that is your happily ever after. There was no back-door marriage. I am using myself as an example to say that it can be done. I was a virgin in the truth who kept myself until I got married. I went from my Father's house to my Lord's house, there was not in between. In order to have an Israelite wedding sponsored by the church, you have to do it the right way. You do not get to be glorified as a glorious daughter of Zion when you are a hoe.

- Bibles opened; legs closed. Please submerge yourself in the bible, especially when you are courting. Basically, you are trying to train yourself to be a wife, you want to make sure you have no time for idleness, you have the cooking down, you have cleaning the house down, you are constantly in the scriptures, going to Titus 2's, practicing chaste conversation, practicing order, helping other sisters out with children.
- This Princess Corner is about setting yourself up for success in your spiritual walk as a young Daughter of Sarah. That way you can fulfill your role as a help meet, pillar of rest, a mother that is called blessed by her children. You need to be able to rehearse those acts as you grow up in the faith. It is just like the term 'practice makes perfect', you must build your name up, and build yourself up in the areas that you are weak at. Now is the time to learn.
- In the video she said that she took verbal abuse and let him treat her badly just because she gave the most important and precious thing that she had to a boy that was not willing to take care of her and love her according to the scriptures. There is a standard that you have to have and uphold when you are courting a brother."

• **Ecclesiasticus 6:7(KJV)**

7 If thou wouldest get a friend, prove him first and be not hasty to credit him.

• **Proverbs 22:6 (KJV)**

6 Train up a child in the way he should go: and when he is old, he will not depart from it.

- My parents raised me in the truth, they taught me the laws and taught me to wear my modest dresses and fringes, they taught me to be shamefaced and stay out of boys faces. When I got older, I did not depart from these laws and commandments.

- **Ephesians 6:4 (KJV)**

4 And, ye fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of the Lord.

- Do not provoke your children to wrath, do not leave them alone to do what they want. The world is not going to help them whatsoever, the world will lead them down a dark path where you cannot save them anymore. Bring them up in the scriptures.

- **Proverbs 29:15 (KJV)**

15 The rod and reproof give wisdom: but a child left to himself bringeth his mother to shame.

- Do not leave your child by their self, there should be no idleness otherwise they will bring their mother to shame. It does not say maybe, it says it will happen.

- **Tobit 7:13-14 (Apocrypha)**

13 Then he called his daughter Sara, and she came to her father, and he took her by the hand, and gave her to be wife to Tobias, saying, Behold, take her after the law of Moses, and lead her away to thy father. And he blessed them;

14 And called Edna his wife, and took paper, and did write an instrument of covenants, and sealed it.

- That is clear as day, sign the papers first. Not sex before marriage, marriage before sex.
- Consummate the marriage after you have the papers.
- According to the scriptures and a part of what our congregation believes which is a standard set by leadership, is that the age of consent for marriage is twenty.

- **Deuteronomy 23:17 (KJV)**

17 There shall be no whore of the daughters of Israel, nor a sodomite of the sons of Israel.

- That means that The Most High has a standard for us. We are princesses not just of man but of God. You cannot get any higher than that, you can't be anymore royal than that.

- **Leviticus 19:29 (KJV)**

29 Do not prostitute thy daughter, to cause her to be a whore; lest the land fall to whoredom, and the land become full of wickedness.

Link to video discussed: <https://www.youtube.com/watch?v=nPnsexONTt8>

- Basically, she was talking about her experience coming into high school as a pretty young girl. She said that because she was a freshman, all the older seniors at her school were looking at the young girls and calling them fresh meat.

• **1 Peter 5:8 (KJV)**

8 Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:

- Have a clear mind and be aware of what is going on around you, because the boys in the school who are whoremongers are seeking to devour you. They want to destroy you and the best way they can do that is by taking away your virginity, the thing that is most precious to you from the Most High.
- They will tell you that you are pretty and then they will use you up sexually and devour you like a lion which will put you to death.
- You don't want to get yourself involved in a relationship because you don't even know what love is.

• **Hebrews 13:4 (KJV)**

4 Marriage is honourable in all, and the bed undefiled: but whoremongers and adulterers God will judge.

- Marriage is honorable which means that you put some respect on that name and all that burning and stuff from before is not a problem anymore because I'm married now. Now on the opposite side of that, whoremongers and adulterers aren't going to make it."

Conclusion

"Don't be a whore, don't put yourself in a situation of sexual fornication. You need to make sure that you are adhering to what the scriptures say.
