

Lingerie wardrobe essentials

TIP 1: Lace has the ability to level up even the most basic lingerie! If you don't want to go full throttle with your lingerie wardrobe, ease into with a lace trimmings.

TIP 2: It is absolutely okay to wear visually appealing lingerie during your menstrual cycle. Ditch the "Granny Panties" and swap them for a comfortable seamless brief or Sis'Short aka Boyshort. Be comfortable and cute! Even if its just for you!

TIP 3: You don't have to break the bank shopping at Victoria Secret for your lingerie. Try the clearance rack at Macys, Nordstrom, Nordstrom Rack, and/or Target instead! [SHEIN.COM](https://www.shein.com) also has very affordable lingerie pieces!

TIP 4: When it comes to your Lord; If you want to be unforgettable, WEAR SOMETHING MEMORABLE! Men are very visual. Therefore, you must wear something he likes to ensure ALL EYES ARE ALWAYS ON YOU!
