

Teaching over 8's would be different to teaching the under 8's. Follow this guide and you will indeed become your children's personal teacher. Remember that repetition is key.

## ***Teach:***

Passover was established after we fled from the Egyptians as they were receiving plagues from the Lord for the hard bondage, they put us through. The fourteenth day of the first month of the biblical year is the Lords Passover. The days immediately following are the days of Unleavened Bread. On the day of Passover, we are to eat bitter herbs, lamb and unleavened bread. During the feast of the Feast Of Unleavened Bread, we are required to eat one piece of unleavened bread at least once each of the seven days.

## ***Symbolism of the meal:***

Bitter herbs: hard bondage.

Unleavened Bread: Israel not waiting for bread to rise to get away from the Egyptians.

Lamb: represents Christ and sacrifice we had to do back in the time of Moses.

Throughout the seven days we are not to eat leaven nor have leaven in our homes.

## ***What is leaven?***

A substance, typically yeast, that is used in dough to make it rise.

Other names: baking soda, baking powder, sodium bicarbonate, potassium bicarbonate, ammonium carbonate, sourdough starter, yeast etc.
