

Tribe Spotlight: Issachar
10 Donkey (Burro) Fun Facts

Is'achar is a strong ass couching down between two burdens: and he saw that rest was good, and the land that it was pleasant; and bowed his shoulder to bear, and became a servant unto tribute.

Genesis 49:14-15 KJV

- Donkeys live up to 50 years if given proper care.
- Donkeys make a loud braying noise that goes on for several seconds. It sounds like "hee-haw" and can be heard up to 60 miles away.
- A boy donkey is called a jack. A girl donkey is called a jenny.
- Donkeys are slow animals that are used today as work animals. They carry materials, plow fields and draw up water.
- Donkeys have reputations of being both stubborn and cautious.
- Donkeys are related to both horses and zebras, but have much longer ears than either of them.
- A donkey is stronger than a horse of the same size.

- Donkeys can see all four of their feet at the same time. This makes them very nimble and able to cross tricky terrain easily.
- Donkeys have an incredible memory – they can recognize areas and other donkeys they were with up to 25 years ago.
- Donkeys are very sociable and form strong bonds - you will often see pairs of best friends within a herd.
