

"Let's Make Ready the Kings' Plate"

And Abraham hastened into the tent, unto Sarah, & said; Make ready quickly three measures of fine meal, knead it, and make cakes upon the hearth.

Genesis 18:6 (KJV)

Let's be more like our foremother and make ready our Lords plate! I'm pretty sure Mother Sarah did not prepare the plates and slapped food on them and serve the plate served to Abraham. Let's go more in depth on how we can elevate or make ready plates for our Kings.

When serving the men, let's bring out the fine serving plates, special silverware, and trays. Let's make them feel like Kings when serving their food to them. He should be able to eat with his eyes as well as his mouth when you serve it on a plate with love.

Here are a couple of suggestions to service a King:

❖ Suggestion #1:

No more paper plates unless a cookout or occasion that calls for paper plates. No King wants to come home from a long day of work with his food served on paper and plastic utensils for his steak.

❖ Suggestion #2:

Taste. taste & taste again. Taste the food before serving it to Him. Ask yourself...Is it too salty? Is there not enough seasoning? Check, so you don't have to do more work if he doesn't like it.

❖ Suggestion #3:

Clean the plate of any spills or splatters from the food. Let the food speak for itself without the mess.

❖ Suggestion #4:

Designate a tray specifically for him. Let serving be a grand gesture of joy. Let Him know he is a King when he eats.

❖ Suggestion #5:

Serve with a smile. Let him know you're happy in serving him with joyfulness and gladness. Let Him know your desire to serve and cook for Him is 100.

excellence...
