

3D NEW MOON PROJECT

Ecclesiasticus 43:6-7

He made the moon also to serve in her season for a declaration of times, and a sign of the world. From the moon is the sign of feasts, a light that decreaseeth in her perfection.

We are always looking for a new way to introduce some artsy fun with the new month celebration. Here is a craft that's great for all ages to go along with your lesson on the New Moon.

MATERIALS:

- Yellow/white paper lanterns
- LED candle Lights
- Stars Stickers (Regular or Glow in the Dark)
- Black poster Board or Card stock paper
- Glue sticks (or hot glue gun)

INSTRUCTIONS

1. On Black poster glue LED candle lights in middle of board leaving an opening for the on/off switch at the back of board.
2. Place glow in dark stickers in position of choice.
3. Place paper lantern over glued candle-light and secure with glue then open to create Moon.
4. Turn switch on and off as desired to create the 3D Moon and have fun!
