*Pricilla- My lord Taught Me Well*

My lord has taught me well  
He instructs me with all reason  
That I must study and apply  
For his house is formed on a mighty foundation

Fashioned in Christ  
Established by the law  
delivered to my lord by Paul  
Held together with faith through our works

Though we had to depart from Rome  
We understood home to be in all the places God would lead  
We trusted in the Most High  
Knowing he would guide the way

Allowing us to be continually with a godly man  
Seeing that he was a man of understanding we hardly departed.  
Creating a mini sanctuary for the church  
To tread upon the foot prints of Paul's door we followed until we could follow no more

My lord is known in the gates he sitteth among the elders  
He has taught me well  
He instructs me with all reason

Therefore when I open my mouth it is with wisdom and in season  
Our story is found in the book of laws when you here my lords name there is always mention of me  
I stand behind one of the greats
