

**Topic:** Give None Occasion to The Adversary  
**Host:** Sister Bayla (HO Captain Gadeliah) - PA

**Event:** Titus 2 Chat

**Date:** January 25, 2023

Shalom sisters Most High And Christ Bless, I am Sister Bayla house of Captain Gadeliah, I want to thank our leadership, and our elder mothers and sisters for allowing me to come on tonight and to host Titus 2, its always an honor.

The sisters have been doing an excellent job with the topics and the edification we have been receiving in the Titus 2's, Lords will everyone is taking heed, and have been applying what we've been learning.

Tonight's title is, Give none occasion to the adversary, and that is based off of the Scripture. 1 Timothy 5:14. So we're going to get into what the adversary can be for us as it pertains to our works, and what we're supposed to be doing as wives and mothers, and for those sisters who are in the process of proving, and for those hoping to have a lord soon, so definitely take heed to all the Scriptures and edification that's being brought out, all of it. is profitable for us to learn from and for us to grow.

I know we all have been hearing the classes from leadership and the Bishops and Deacons have been going in on the women in the truth and what we need to do for our lords, and they have been going to that "Top G" level, so we are going to need to examine our spirit, and start getting better about doing things for our lord's house, and start doing better for our

children, its time for us to start Leveling up as Mama Shamara says. And start focusing on what we need to be doing for our lords to get them to the level of being a “Top G”.

Bishop said we are on the unit and one nation and we need to get ourselves together.

I am going to show another clip from Captain Gedaliah’s class , and I want us to focus on the message, because we can be a hindrance to our lords in this walk

Captain Gedaliah

<https://youtu.be/GJPx2bEPgiE>

- In order for us to get to that level we need to be built up by our lords, we need to in the scriptures be fasting and we need to pray because that time is coming Like **Romans 15:4** says things that were written afore time were written for our learning. , so if we are not taking heed to the correction from our lords and overall accountability, and do as we are told and have the mindset to not talk back. Will we be able to be like Peter’s wife and be led to our death and listen to our lords when he says to remember the Lord. That is a mindset that we should all want to have.
- The brothers are going out in a major way, and we have to understand that our job is not to sit back and be cute, it is to put the work in any way that we can, be submissive, and listen and follow. Are we going to be able to be revolutionary women? because this truth is revolutionary and we need to focus the issue we have and
- The time for playing is over we need to start focusing on the things that we have issues with, be revolutionary sisters.

### Matthew 5:16 (KJV)

Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven.

Ask yourself how bright is your light shining?

- Are you shining your light when you are around your family? Or are you dimming it when you come around them.
- If your lord is taking the truth serious so should you, you have to be like-minded and on one accord

- Have a relationship with the most high for your self
- Study, pray and fast to get your spirit right

### **1 Peter 2:9 (KJV)**

But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvelous light:

- To be called in the Most High's light is where we should want to be, pray that the Most High increase our faith, whenever we're going through our trials to be able to endure those times like whenever we're going through marital trials like Scripture say it's going to be trouble in the flesh so you got to make sure that you get yourself built up so that you can be able to Stand, when those times come because if you're not, you're not going to be able to stay at your foundation has to be built on price right so add yourself, am I doing everything that I can? And I striving for this truth. And so death, like Peter's wife, did right she was she was serious.
- We have to ask ourselves do we really believe. If you don't, your lord can't build you up and when our trial comes you are not going to be able to withstand in that day
  - We have to build our children up, like the mother in second Maccabees,
  - Search the scriptures it is our medicine to get us through, a lot of us were serious in the world we took our careers seriously we studied in school getting master's degrees and doctorates, but are we studying like that to receive salvation?
  - This truth is about growth, you have to ask yourself when it comes to being an example to someone else, have I grown?
  - When I saw the growth in my lord and how he cleaved to leadership, how he started to gain wisdom from being around the Bishops and the Deacons, he was so excited when he had the opportunity it was an honor
  - When I was able to finally meet Mama Shamara, Mama Paryah, And Mama Ana, it was honor to see what a great example they are and how they treat their lords, they are really about this truth, and it made me want to level up.

### **1 Timothy 5:14 (KJV)**

I will therefore that the younger women marry, bear children, guide the house, give none occasion to the adversary to speak reproachfully.

**Adversary**- a person, group or force that opposes or tags. It's an opponent or an enemy.

### **1 Peter 5:8 (KJV)**

Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour:

The adversary can come in many forms;

- Social media
  - Worldly friends
  - Family
  - Anyone who opposes our walk in this truth.
- 
- Our Lords are getting back to God level, cutting “simpling” out and not catering to the women, if this is something you battle with, you need to renew your mind. As he scripture says rise up you women that are at ease.
  - We have really gotten comfortable in this Babylonian mindset, it has destroyed us
    - We are supposed to be the example of what the bible says repentance is.
    - The Israelite woman is supposed to conduct herself in a marriage with the utmost respect to our lords.
    - We have to teach our sisters in the world what that looks like
  - Social media show so much about so called relationships and marriages that is horrible and toxic, this is not anything we want our young princes and princess to see so we need to work 100 times more to show them that is not the way, and how you are supposed to walk, and it is not a grievous thing.
    - We think because our lords are telling us to clean and do our wifely duties, that it’s some form of slavery, and that is not true
    - Just do the basic things that he is telling you to do for your children and his home, especially if he is going out every day to provide for you.
    - We are supposed to be different from the women in the world, we are to be separate in the Most High’s marvelous light, but we are dimming it because we don’t want to be corrected.
  - But that adversary Satan is going to come in and he's going to try us on all of those things that we're not willing to work on and get our spirits built up so that when he comes, we'll be able to fight him we'll be able to resist them.
  - We get too comfortable because of the lack of self-examination.
    - We can't get comfortable because we'll get tried.

- We are going to feel that trial and remember the trial is meant to teach us something.
- there are obligations that we must uphold in our marriages, the way we raise our children, and how we got the house.
- We should follow the righteous examples given to us, and not neglect the wisdom given to us because we see the actions and we see the fruit
- So no more complaining, no more talking back, let's grow.
- Mama Naamah did a class a while ago about the clean up woman, the cleanup woman can come and can be an adversary.
  - So don't think that they're not looking at us and being envious because they are.

### **2 Esdras 16:49 (Apocrypha)**

Like as an whore envieth a right honest and virtuous woman:

- Are you honest with yourself when it comes to self-examination or correcting the things your Lord wants you to correct?
- And are you striving to be that virtuous woman like it speaks about in Proverbs 31.
- Are you striving to be that? if not, that work that she's looking, and she's very envious. We have a brother that's going out serious about his people, serious about the work of the lord, and serious about taking care of his wife and his children, and they can barely keep a man.

### **Here are the lyrics to the song The Cleanup woman:**

a cleanup woman is a woman who gets all the love we girls leave behind.

The reason I know so much about her is because she picked up a man of mine jumping slick was my ruin, cause I found out all cause. I found out all I was doing was making it easy for the cleanup woman. To get my man's love. Oh, yeah, just making it easy for the clean-up woman. I'd put this man's love and put it on the shelf, and like I fool, I thought I had them all to myself when you need it, love I was out having fun. But I found out that all I had done was made it easy for the cleanup.

- We are righteous women, and We know what the Scriptures say about how we're supposed to conduct ourselves. And when we are doing what we're supposed to do there is no room for the cleanup Woman.

- We have to make sure that we're a compliment our lords, telling them how attractive they are.
- Giving them the compliments that they need Because these women out here don't care, not saying that our lords are, going to go off but the goal is for us to make sure that we, leave no love behind.
  - We're not putting, you know, his love on the ship.
  - We're giving him everything that he needs. We're spoiling him.
  - We're catering to him when he comes through the door.
- They are men and they have needs, they deal with a lot and they want to feel wanted just like we do, they want to feel a connection just like we do.
- You have to learn your lord, learn his love language, what he like to do, have fun with him.

**The first thing we are going to talk about when it comes to the adversary the devil is when it goes into, that the younger women marry.**

- There are so many things marriage is compiled of
  - Our goal is to strive for our lords to want to come home to us

#### **Hebrews 13:4**

**Marriage is honorable in all, and the bed undefiled: but whoremongers, and adulterers God will judge.**

- Marriage is honorable, do you reverence your lord, do have honor and respect for your marriage? and do you value your lord, because we are not the prize.
- We were created for him; our sole purpose is to be a help meet and pillar of rest for our lords.
- For sisters that are new to the truth, your lord is making that change to be that top G, it is serious and our lords are trying to order their house, and you have to respect that, and some sisters come in before their lords and they are being built up they are getting things in order according to the scriptures.
- We have to examine ourselves, are we allowing the adversary to come in and attack our marriage? So in order for us to make sure that that doesn't happen, we've got to step it up and make sure that we are living with these Scriptures say.

**I'm going to go over some ways that the adversary can attack and where the adversary can speak reproachfully about the things that we are not doing.**

**1. To have the independent woman mindset, and that is nothing but a feminist**

- Before the feminist movement started , our women were at home taking care of our families and the men were out providing for their families, but the other nations came with that feminist spirit and that was the down fall of our family structure.
- We need to check that mindset, and know that our lords are the heads, there are not two heads in the household.
- With your lord being the head, he has the eyes, everything to see, to be able to guide his family, allow him to do that, stop thinking that you can do it on your own. You can't.
- When you have a lord, allow him to guide you, allow him to lead you, and allow him to build you up.
- Think about Peter's wife. if she had the independent woman mindset she would she probably would've flipped. She wouldn't have been able to stand and be able to be put to death and to be strong in that.
- we have to really understand that the things that we battle are real and when our trial comes we've got to be able to face it according to the Scriptures.
- It is going to take some serious building up, so allow your lord to do that, he can't build you up if you are trying to build him up, that is not in your nature to do that.
- The most High instructed this thing beautifully, and we have to let the Word of God be true and sit back and say all praises, my lord's got me and trust in that, and he may make a few mistakes, you need to assure him that I'm here with you, and in the mistakes all praises, let's continue to grow and continue to build, so we can get stronger in our marriage.

**2. You get worldly counsel regarding your marriage.**

Captain Mattathias video

<https://www.youtube.com/watch?v=eLf-kzOmyLA>

- That is a huge problem in Israel

- That's something that we really need to focus on when the Scripture says to have a counselor of a 1,000 that is a senior Sister or Elder mother, that you have proven. You see their example, and you get counsel from someone,
- That has a successful marriage. You see their example, and that's continually built up in this truth.
- But it's been several, you know. Instances where you go. You talk to your sister in the world, your mom in the world about your marriage. And are not going to tell you anything thus sayeth the lord, so how are you going to get your mind back on track from thinking carnally if you are counseling with the adversary?
- Your Lord knows when you've been talking to worldly family, the scriptures say can two walk together, less they be agreed. So if you feel the need to counsel with them there is some sin that you are battling with. That's the reason why you can't let it go, or you don't want to let that relationship go, because you can clearly go to the Bible and read who it says that you need to be speaking to about your Marriage.
- You need to understand that the scripture says you need to have a counselor, someone who is enduring in this truth, is getting her mind right in this truth and you can see an example with her and her lord.
  
- We always want to hear a soft sweet answer instead of hearing the truth on how we can actually solve the issue according to the scriptures.
  
- We try to mask that everything is good with our marriage, when secretly our home is in chaos, when all you have to do is humble yourself and call a sister who can help you through what you are battling.
  
- We do not want our lords, our hedge to step out of the way and the Most High deal with us directly, so listen and take heed to the guidance and correction given without a rebuttal.
  
- When your lord advises you to go speak with a particular sister about something you are struggling with do not take offense, he has some insight into things you are not aware of and the council is to build you up, not to offend you.
  
- People in the world do not have your best interest at heart, they will listen to then tell all of your business afterwards. When they ask details about how your marriage is going, tell them everything is good, all praises to the Most High.

**Mama Shamara stated:**

- It is really important for new sisters who don't have a counselor of a thousand and still have one foot in the world to seek Godly counsel.
- For women who try to say that everything is perfect, in Ecclesiasticus It says that through pride is the beginning of sin. so when we have that prideful spirit, that everything is fine, no one can tell me anything and your marriage is great, basically What you're saying is that the scriptures are not true because the scriptures say in Corinthians says that there will be troubles of the flesh, so if your marriage is perfect, and you aren't going through anything, good for you, but that's not Biblical, there will be trouble in the flesh to try you to see if you are really about the Lords Business.

**3. You feel like you are the Prize**

Delusional Prize

<https://youtu.be/KY2UdpsVLIE>

**Isaiah 13:12 (KJV)**

I will make a man more precious than fine gold; even a man than the golden wedge of Ophir.

- The scriptures say the man is mor precious than fine gold the man is the prize
- I wanted to pull this video because some sisters in the truth feel that they are the prize.
- The scriptures say that when we come into the truth we are to come in as new creatures, and we have to renew our mind and get ourselves together, and some sisters have not renewed their minds that's why they're not allowing their lords to lead. Some sisters are happy with their lords being simps.
- If we know that our lords are the prize, we should be doing everything we can to make sure he's happy, and that he's taking care of it because that's your prize.
- It will cause a lot of confusion in your marriage thinking you are the prize, and your lord is not.
- When we read the scriptures, we see what the Most High is going to do with our lords if we endure in this truth, and we should all want to see our lords in all of his glory
- We cannot have the same mindset as the women in the world, we are supposed to be separate, we have to let our like shine and teach our young daughters that your Dad is the prize, and your lord will be your prize.

- All that you give to your lord he will give that back , the scriptures say to live joyfully with the wife of your youth, you can't be mean and think that it is all about you.
- If you do not see the significance of the role that we play, it is nothing to take lightly, because the world is trying to destroy us and destroy the mindset of the young princesses that we are raising, and we have to rise up against the evil doers.
- We have to be a better example in our homes for our young daughters and our young sons, we are not reverencing our lords, we are studying, praying and fasting as we should, some sisters only take out their bibles for the Sabbath and only fast on the day of atonement, and the scriptures say that our healing comes from praying and fasting. So where is the growth? and where is our belief?
- We will not make it in the wilderness with this mindset, we need to renew our minds, when it says that 7 women will cleave to one man in the scriptures, that should tell us that the man is the prize, no matter how Esau's tries to flip things, let's focus on the things that we need to do better so that we can continue to grow and level up.

Lori Harvey

<https://www.tiktok.com/t/ZTRpFpsTS/>

- Lori Harvey is a socialite daughter of Steve Harvey, she is a whore and has been passed all around Hollywood, her father instilled in her that she is the prize, this is the mindset that is being passes to our daughters and to us.
  - We cannot follow this mindset, we end up like her when she decides to finally settle down, and she realizes it will be chaos because she does not know how to conduct herself.
  - Her mother did not teach her because she has a similar track record, Her father taught her that she is the prize, you can't teach your daughters that teach them thus sayeth the lord.
- Sit and Have conversations with your lord about things, when you are thinking about doing things and making decisions, it's not just about you, stop and think what about my lord what does he think? Always have a discussion with your lord, many sisters feel like they cannot talk to their lord about everything, but you can just season your words, the scriptures say have kindness in your tongue.

The last Point of how the adversary can come in:

#### 4. You are just mean.

- Your lord can't have a conversation with you frowned up you don't smile, when you come to the Sabbath you look mean, you act like you are miserable and depressed, this is the worst place you can be, you don't try to bond, and you don't have the spirit.
- You have to learn how to talk to your lord, say a kind word to him every day, find out what he likes. A soft word everyday will not kill you.

#### **Ecclesiasticus 36:23 (Apocrypha)**

If there be kindness, meekness, and comfort in her tongue, then is not her husband like other men.

- **These three things are heavy, we are supposed to build our lords up not tearing them down.**
- **The way that this world is set up is not in our favor of us. And it's definitely not in the favor of our Lords. they go out pushing this truth harder, these other nations are coming hard, They get to the point of even losing their jobs. We should be a pillar of rest for them.**
  - **Give him a scripture**
  - **Ask him what he needs**
  - **Believe you are a unit**

#### 5. You neglect his needs and emotions

BMF CLIP

<https://www.youtube.com/watch?v=edOSF1YFZhE>

- Some of you are Lucille at the house, don't be Lucille
  - Don't blame your lord when you are in the wrong
  - Don't treat due benevolence like a chore
  - Do what you need to do to keep your lord happy and keep the peace
  - Do what you need to do to make your lord feel like a King when he walks in the house

**Another way the adversary can come in when it comes to Bearing the Children**

**Bearing children**-relating to the process of conceiving, being pregnant with and giving birth to children.

- **What comes with bearing children, due benevolence**

### **1Corinthians 7:3-5 (KJV)**

3Let the husband render unto the wife due benevolence: and likewise also the wife unto the husband.

4 The wife hath not power of her own body, but the husband: and likewise also the husband hath not power of his own body, but the wife.

5Defraud you not one the other, except it be with consent for a time, that ye may give yourselves to fasting and prayer, and come together again, that Satan tempt you not for your incontinency.

[https://cafemom.com/lifestyle/169732-20\\_excuses\\_women\\_use\\_to](https://cafemom.com/lifestyle/169732-20_excuses_women_use_to)

Here are 20 excuses women use to get out of sex with your husband. If any of these are you, you better fix it, see if you have this spirit on you.

[https://cafemom.com/lifestyle/169732-20\\_excuses\\_women\\_use\\_to](https://cafemom.com/lifestyle/169732-20_excuses_women_use_to)

- How many of you have used any of these excuses?
  - It is important to see ourselves to fix our mindset
  - To feel wanted by top G on this earth, when you get to that mindset of knowing who your Lord is and what he's going to become Lord, Will he continue to endure that should make you say, Okay, yes, at any time.
  - Notice that when you turn him down, he gets upset because you are denying him what is rightfully his
  - If you have used any of these excuses, turn over a new leaf, and start doing things differently
  - Put yourself in his shoes, how would you feel if he denied you due benevolence how would you feel?
  - Do not allow the adversary to com in and tempt you.
- **Putting your career first and being selfish**

- When it comes to having children some sisters still have that independent spirit, when your lord tell you he want to have children, and you start to think about your career goals, we need to check our spirit and remember , no it is whatever he wants

Kelvin Samuels Video Time ( [https://www.youtube.com/watch?v=U3h\\_m90GM00](https://www.youtube.com/watch?v=U3h_m90GM00))

- This sister was very selfish, Instead of saying, Okay, let me respect my husband or my lord as the head he wants children, or trying to figure out a way to do both, she decided on divorce.
- A degree is not what it used to be, you will end up in debt, you may not actually work in the field you have a degree in, you have to ask yourself is it really that important to lose your husband over.
- It is important for us to understand our role to marry, bear children and guide the house.
- Stop letting Esau and the other nations come in and tell us how to build our nation, it's not Biblical.
- When we look at our foremothers it was an honor to bear children, scriptures say blessed is he who has a quiver full of children.
- If we bring forth righteous children, and we are teaching them thus said the Lord, we teach them you are an Israelite princess and you are profit at the Most High. We are building them and focusing and teaching them, this is what the world does not want to see, they are trying to destroy us.
- Never look down on a sister announces to you, that my lord's house is expecting, be there for that sister that is nation building, that is evil and you still have a Babylon mindset, and it's contrary to what the scriptures say and not of the spirit of the lord.

➤ **You let yourself go**

When you acknowledge that you have let yourself go, you need to:

- Start making healthier choices.
- Start exercising even if it is around the house
- Get back to the way you want to look and being pleased in the sight of your lord
- Get back because the adversary will come in

The beauty of a woman

### **Ecclesiasticus 36:22 (Apocrypha)**

The beauty of a woman cheareth the countenance, and a man loveth nothing better.

- When you are looking good for you lord, he feels good
- Have yourself together, and set up a routine
  - Get the kids together
  - Get beautiful for your lord
  - Use your time wisely and be productive
  - You need to have a beautiful spirit as well

### **Judith 10:19 (Apocrypha)**

And they wondered at her beauty, and admired the children of Israel because of her, and every one said to his neighbor; Who would despise this people, that have among them such women, surely it is not good that one man of them be left, who being let go, might deceive the whole earth.

- Judith was beautiful and wise, if you are seeking out wisdom to be able to properly apply the Scriptures into your house, then you have to ask the Lord.
- **Guiding the house**

**Guide**-showing of the way by one who is thoroughly familiar with the course right, and directs along the way.

Ways the adversary can come in:

- You don't have a schedule
  - Kids are not on a schedule
  - Kids not disciplined on the schedule
  - Not sticking to the homeschool schedule
  - Get up early
  -
- Procrastinate on orders your lord gives you
  - Stop making up excuses as to why things don't get done in the household
  - Your lord wants to come home to a clean house, If he brings brothers by he know the house it looking good and smelling good without giving you notice.

You are lazy Wife

<https://www.youtube.com/watch?v=tz1MA5ynoNI>

- This woman went to her adversary (social media) complaining that her husband asked her to clean up the house, when her Father-in-law and husband were building a house from the ground up, she got all of this advice from social media, and she did not clean.
- Her husband divorced her because she could not follow a simple instruction from her husband.
- It is not hard to do what your husband asks you to do
- Ask him what he would like for you to do for the day to help you plan better
- Cleaning the house, and having a schedule, makes guiding the house easier.
- Stay ready so you don't have to get ready.
