

## DIY CRAFT BEE PROJECT-Written Instructions

### Materials needed:

Paper plates

Construction paper

Glue

Paint brushes

Fuzzy sticks/pipe cleaners

Tape

Scissors

Marker

Silly eyes OR create eyes with marker or construction paper

### Instructions:

Step 1: paint the plate yellow and allow it to dry.

Step 2: glue the eyes onto the plate. OR draw or create eyes to add onto the plate.

Step 3: draw the mouth.

Step 4: glue strips of construction paper beneath the mouth.

Step 5: on construction paper, draw and cut out wings and stinger.

Step 6: turn the plate over and glue or tape stinger and wings to the back of the plate.

Step 7: tape fuzzy sticks/pipe cleaners (antennas) to the back of the plate.

Step 8: turn over and view the finished piece!
